1 Look carefully at the picture on pages 40 to 41 of the EMOTIONARY and answer the questions.

- What can you see in the picture?
  A tree.

- What is strange about it?
  Its leaves are growing underground and its roots above the ground.

2 Why do you think the tree is growing like that? Choose the best answer.

- It is selfish and doesn’t want to share its beauty with others.
- It doesn’t trust the outside world and wants to protect itself.
- It has decided to grow upside down to be different to other trees.

- Give reasons for your answer.

Trees don't actually feel insecurity but you can take this picture as an analogy for a person who feels insecure and might, for example, hide an aspect of himself that they feel insecure about (e.g. their singing ability).

Ben and Zoe are great friends. Ben is always telling Zoe that she can count on him for anything. Several times Zoe has asked Ben for help with her homework, or with doing a jigsaw puzzle..., but he hasn’t helped her. So now Zoe either does things on her own or asks her dad to help her.

- Who feels insecure? Zoe
- Who has she stopped trusting? Ben
- What defence mechanism has she adopted? She does things on her own or asks her dad to help her.
Yesterday we went sailing with my Uncle Jim. My uncle has had a motorboat for years. We stopped the boat in a little cove to swim and, when my uncle tried to start the engine again, he couldn’t. There was something wrong! I got worried straight away and didn’t know what to do. I started jumping up and down to try and attract attention but that rocked the boat, so I stopped. My uncle, on the other hand, was totally calm. He picked up his binoculars and scanned the horizon. Then he sent up a flare and, within minutes, another boat came to help us.
